Dear friends,

Below are some of the key points of praise and prayer for Children of Grace Home this winter. As always we would like to thank you for your continued support and prayer. Having such faithful support gives us great assurance and we would like you to know that we are truly grateful. We hope that all the news regarding the home will encourage and bring joy to you all.

By wisdom a house is built, and by understanding it is established (Prov. 24:3)

The day many have eagerly been waiting for finally arrived this December; moving day for the 12 boys. Thank you to everyone who has helped towards building the home, whether it be guidance, financial support, encouragement or prayer. Thank you also to those who bought new bunkbeds for the home. The boys have really enjoyed watching their new home be built and were ecstatic to move into the place they now call home. Please thank and praise God for His wonderful guidance and provision since the charity began, and thank him that all the boys have settled into their new home.

“The LORD is able to give you much more than this.” (1 Chron. 25:9)

The new home is suitable for 20 boys, so we hope to bring in 8 more as soon as possible. In order to do this, we hope to get regular sponsors for all the children. We currently have enough regular giving to sponsor 7 children and to date we have relied on one-off donations for sponsorship for the other 5. So before we

take in more children we aim to have all 12 boys sponsored so that we have better stability and sustainability. Pray that God will provide us with more regular sponsors and for more for guidance in bringing 8 more boys who are in need. Please also pray for God to provide the home with a fridge freezer and washing machine which are needed the home. God has always provided more than we have asked for and we will continue to trust that He will meet the charity's every need "according to his riches of in glory in Christ Jesus" (Phil. 4:19).

Train up a child in the way he should go; even when he is old he will not depart from it. (Prov. 22:6)

Thank God for our sister orphanage Children of Faith Missions, home to over 100 children. Having a well-established home right next door is such a wonderful blessing and the home also acts as a home school and is where our 12 boys study. Both homes essentially work as one with morning and evening worship and free time spent together. Thank God for Anand and Rosie Thandu who run both homes. Praise God for

their love and care for the children and pray for their plans to build a Christian school nearby for 500 children. The school will offer a high-end education to the children of both homes, with free scholarships for other local children from poor backgrounds. Pray for the team in California who are heading the mission.

As you can see, there is much to be thankful for and much to be praying for. God has provided abundantly and His guiding hand has been evident since the charity began in 2012. Thank you once again for your prayers and support. Please continue to keep all the children and staff in India in your prayers, asking they will all "grow in the grace and knowledge of our Lord and Saviour Jesus Christ. To him be the glory both now and to the day of eternity. Amen" (1 Peter 3:18).

Warm regards

The Children of Grace Team
